Sir:

We, Asif Dawoodi Gandhi; Marc Benedict Ibanez; Lei Song; Matthew Thomas,  
and Stanislav Vitebskiy, declare:

1. We are the joint inventors of all the originally filed claims of the above-  
identified patent application.

2. The application is currently assigned to Lucent Technologies Inc. as recorded October 6, 1999, REEL/FRAME: 010305/0682.

3. Prior to June 18, 1999, we conceived a system for a method and apparatus for controlling reverse link interference rise and power control instability in a wireless system.

4. Prior to June 18, 1999, we had disclosed our invention to others within the Lucent Technologies Inc., and had submitted a written description of the invention to Lucent Technologies' legal department for preparation of a patent application. A copy of the submission (with dates redacted) is attached as Exhibit A.

5. The above-listed act occurred in the United States.

6. On October 6, 1999, the present application, U.S. Patent Application Serial No. 09/413,056, was filed with the United States Patent and Trademark Office.

7. We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under

Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
